If you are a customer,
[Touch here](#) to activate this terminal.

Printer and card swipe will not work unless you connect to the correct Revel Wireless Network.

Step 6: After hitting submit, an automatic email gets sent to your email address w/a passcode

Step 7: Type in passcode (Example: 3170)

The screenshot displays the QuickBooks Point of Sale login interface. At the top, the 'qb intuit QuickBooks Point of Sale' logo is visible. Below the logo, there are four circular indicators, with the first two filled, suggesting a multi-step login process. A numeric keypad is centered on the screen, with the digits 3, 1, 7, and 0 entered. To the right of the keypad, there is a 'Refresh' button. Below the keypad, there are 'Clear', '0', and 'Login' buttons. At the bottom right, there are 'Clock In' and 'Clock Out' buttons, and a 'powered by Revel' logo.

Step	Indicator	Digit
1	Filled	3
2	Filled	1
3	Empty	7
4	Empty	0

Buttons: Refresh, Clear, Login, Clock In, Clock Out

powered by Revel

Step 8: Enter into Revel Demo App
