If the Software fails to operate for any other reason not attributable to Merchant, the liability of ISO shall be limited to the repair or replacement of the Software. Cal shall have no liability to Merchant for any Software.

Cal shall deliver payment to Merchant as soon thereafter as practicable by a credit to the Operating Account equal to the reconciled summary Transaction total of all of Merchant's total summary Transactions since the previous credit. This credit will be reduced, if necessary, by: (i) the sum of all Cardholder charges denied, refused or charged back; (ii) all refunds processed on account of Cardholders during said time period; (iii) the fees and charges, including Chargebacks, Merchant owes Cal or ISO hereunder; (iv) all taxes, penalties, fines, charges and other items incurred by Cal that are reimbursable pursuant to this Agreement; and (v) all rates, fees and charges described on Annex B.
 - b. **Reconciliation of Transactions:** Merchant shall reconcile each settled Transaction within fifteen (15) days after the date on which such Transaction is submitted to Cal for payment, and shall notify Cal and ISO immediately of any discrepancies or errors Merchant notes as a result of such reconciliation. Neither Cal nor ISO shall have any responsibility or liability for Transaction-related errors or omissions that are brought to their attention more than thirty (30) days after the date on which the Transaction to which such error or omission relates is first presented to Cal for settlement.
 - c. **Provisional Credit:** Any credits to the Operating Account are provisional only and subject to revocation by Cal until such time that the Transaction is final and no longer subject to Chargeback by the Issuer, Cardholder or Associations. Cal may withhold payment for a Transaction to Merchant, for any reason, for a period of time not to exceed seven Business Days from the processing date of a Transaction.
23. **Adjustments and Returns:** Merchant will maintain a fair exchange and return policy and make adjustments with respect to goods and services sold and/or leased to its customers whenever appropriate. If goods are returned, or services are terminated or canceled, or any price is adjusted, Merchant will prepare and transmit a credit or return Transaction, either electronically or by paper, for the amount of the adjustment as a deduction from the total amount of Transactions transmitted that day. If the amount of credit or return Transactions exceeds the amount of sales Transactions, Merchant shall pay Cal the excess. Merchant shall make no cash refunds on Transactions and shall handle all credit adjustments as provided in this Section. If no refund or return will be given, Cardholder must be advised in writing that the sale is a "final sale" and "no returns" are permitted at the time of the Transaction. Cardholder also must be advised in writing of any policy of Merchant that provides for no-cash refunds and in-store credit only. Merchant shall follow Card Association reservation/no-show policies. Merchant shall notify Cardholders in writing of this policy on all advance reservations. Merchant also shall notify Cardholders at the time of the reservation of the exact number of days required for reservation deposit refunds.
24. **Chargebacks.** The acceptance by Cal of any Transaction processed in accordance with the terms of this Agreement shall be without recourse to Merchant, except for: (i) Full Recourse Transactions; (ii) as otherwise indicated in this Agreement; and (iii) as follows:
- a. No specific prior Authorization for the Transaction was obtained from the Authorization Center, the approval number does not appear in the electronic transmittal that is maintained by Cal, or the Transaction was submitted to Cal or ISO thirty (30) days or more after the date on which the goods and/or services to which the Transaction relates were purchased or leased by the relevant Cardholder;
 - b. The Transaction was based on a pre-authorization form and the Card on which the Authorization was based has been canceled and Merchant was so notified prior to the Transaction;
 - c. The Card giving rise to the Transaction was canceled and prior to, or at the time of, the Transaction, Merchant received notice of the cancellation through the electronic terminal, in writing or otherwise;
 - d. The Card expired prior to the date of the Transaction or the date of Transaction was prior to the validation date;
 - e. The information required in Sections 18 and 19(b) above was not submitted to Cal;
 - f. Cal or Issuer has received a complaint from or on behalf of a Cardholder stating that there is an unresolved dispute or defense to a charge (whether or not valid) between Merchant and Cardholder;
 - g. The Cardholder makes a written complaint to Cal or Issuer that the Cardholder did not make or authorize the Transaction;
 - h. A setoff or counterclaim of any kind exists in favor of any Cardholder against Merchant that may be asserted in defense of an action to enforce payment against the Cardholder in a Transaction;
 - i. The Transaction was made at or by a Merchant other than Merchant named in this Agreement;
 - j. The Transaction otherwise violates the terms of this Agreement or any other Association or Issuer bylaw, rule, regulation, policy or guideline;
 - k. A Transaction is charged back by an Issuer;
 - l. Any representation or warranty made by Merchant in connection with the Transaction is false or inaccurate in any respect.

In any such case, Cal shall not be obligated to accept a Transaction for credit to the Operating Account. If Cal has credited the Operating Account or Merchant Reserve Account for such a Transaction, Cal may return the Transaction to the Merchant, and Merchant shall pay Cal the amount of the Transaction. Merchant agrees that Cal, without prior notice to Merchant, may (i) charge the amount of the Transaction to the Operating Account or Merchant Reserve Account; (ii) recoup the amount of the Transaction by adjustment of the credits due to Merchant; or (iii) set off the amount of the Transaction against any account or property Cal holds for or on behalf of Merchant. If Merchant disagrees with Cal's decision to charge back a Transaction, Merchant must so notify Cal in writing within 10 days of the Chargeback, and provide documentation that the dispute has been resolved to Cardholder's satisfaction or proof that a credit has been issued.

MERCHANT AGREEMENT

Without limiting the generality of any other provision of this Agreement, if Cal or ISO, take legal actions against Merchant for any Chargebacks or any amounts due to Cal or ISO hereunder, Merchant shall pay the costs and attorneys' fees incurred by Cal and/or ISO, whether suit is commenced or not.

25. Merchant Statement. At least once per month, Cal, or ISO under Cal's direction, shall provide Merchant with a Merchant Statement. All information appearing on the Merchant Statement shall be deemed accurate and affirmed by Merchant unless Merchant objects by written notice specifying the particular item in dispute within 30 days of the date of the Merchant Statement.
26. Retention of Original Sales Information: Merchant shall retain the information required by Sections 18 and 19(b) for seven years from the date of the Transaction. At the request of Cal, Merchant shall provide such information to Cal or ISO, as directed by Cal, within five (5) days of receipt of a request from Cal. Failure to meet such time frame or non-delivery of any item or delivery of an illegible copy of an item requested by an Issuer shall constitute a waiver by Merchant of any claims and may result in an irrevocable Chargeback for the full amount of the Transaction.
27. Recovery of Cards. Merchant will use its best efforts to reasonably and peaceably recover and retain any Card for which Merchant receives notification of cancellation, restrictions, theft or counterfeiting. This notice may be given: (i) electronically through the terminal or Software; (ii) by the Authorization Center through any means; or (iii) by listing on any canceled Card or restricted Card list. Merchant shall also take reasonable steps to recover a Card that it has reasonable grounds to believe is counterfeit, fraudulent or stolen.
28. Customer Complaints. Merchant shall respond promptly to inquiries from Cardholders and shall resolve any disputes amicably. If unresolved disputes occur with a frequency unacceptable to Cal, Cal may terminate this Agreement. Cal reserves the right to charge Merchant reasonable fees and reimbursement on account of excessive Cardholder inquiries, refunds or Chargebacks. Merchant agrees to maintain the following information in writing with respect to each claim or defense asserted by a Cardholder for which Merchant has received notice:
 - a. The Cardholder's name;
 - b. The Card account number;
 - c. The date and time the Cardholder asserted the claim or defense;
 - d. The nature of the claim or defense; and
 - e. The action that Merchant took in an attempt to resolve the dispute.

Upon request, Merchant shall furnish Cal with this information in writing within 10 days.

29. Merchant shall treat all information received in connection with this Agreement as confidential. Merchant shall prevent the disclosure of this information except if required so by this Agreement or by law, and not before Cal and ISO are notified of the disclosure.
30. Card Associations' and Issuers' Requirements. Merchant shall comply with all bylaws, rules, regulations, policies and guidelines of the Card Associations and any Issuer whose Cards are used to process Transactions in accordance with this Agreement. Merchant will display prominently at its place of business Card emblems and other promotional material and literature provided by Cal directly or through ISO. Subject to the prior written consent of Cal and upon such conditions as authorized by Cal, Merchant may use Card service marks or design marks in its own advertisement and promotional materials.
31. Compliance with Applicable Law. Merchant represents and warrants that it has obtained all necessary regulatory approvals, certificates and licenses to sell any product or provide any service it intends to offer. Merchant shall comply with all present and future federal, state and local laws and regulations pertaining to Transactions.
32. Taxes. Each party hereto shall report its income and pay its own taxes to any applicable jurisdiction. If Cal or ISO are required to pay any taxes, interests, fines or penalties owed by Merchant, said amount shall become immediately due and payable by Merchant to Cal or ISO. If excise, sale or use taxes are imposed on the Transactions, Merchant shall be responsible for the collection and payment thereof. Cal or ISO shall be entitled to recover any of said taxes paid by it on behalf of Merchant from Merchant immediately after payment.
33. Limit of Liability. In addition to all other limitations on the liability of Cal and ISO contained in this Agreement, neither Cal nor ISO shall be liable to Merchant or Merchant's customers or any other person for any of the following:
 - a. Any loss or liability resulting from the denial of credit to any person or Merchant's retention of any Card or any attempt to do so;
 - b. Any loss caused by a Transaction downgrade resulting from defective or faulty Software regardless if owned by Cal, ISO or Merchant;
 - c. The unavailability of Services caused by the termination of contracts with computer hardware vendors, processors or installers, whether terminated by Cal, ISO or any other person for any reason; or
 - d. Interruption or termination of any Services caused by any reason except for failure of ISO to repair or replace Software or to use due care in selecting computer hardware installers; and in such cases, any liability shall be solely that of ISO and the liability of ISO shall be limited to a waiver of terminal or software fees due under this Agreement.

NEITHER CAL NOR ISO SHALL BE LIABLE FOR ANY LOST PROFITS, PUNITIVE, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES TO MERCHANT OR TO ANY THIRD PARTY IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR ANY OF THE SERVICES TO BE PERFORMED BY CAL OR ISO PURSUANT TO THIS AGREEMENT.

MERCHANT ACKNOWLEDGES THAT CAL HAS PROVIDED NO WARRANTIES, EITHER EXPRESSED OR IMPLIED, WRITTEN OR ORAL, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO ANY SOFTWARE INSTALLED OR PROVIDED BY ISO AND THAT CAL HAS NO LIABILITY WITH RESPECT TO ANY SOFTWARE. CAL MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE SERVICES IT PROVIDES HEREUNDER. SHOULD THERE BE ERRORS, OMISSIONS, INTERRUPTIONS OR DELAYS RESULTING FROM CAL'S OR ISO'S PERFORMANCE OR FAILURE TO PERFORM OF ANY KIND, CAL'S AND ISO'S LIABILITY SHALL BE LIMITED TO CORRECTING SUCH ERRORS IF COMMERCIALY REASONABLE OR SUPPLYING SUCH OMISSIONS IN THE WORK PRODUCT IN WHICH THEY HAVE OCCURRED.

34. Limitation on Damages. In no case shall Merchant be entitled to recover damages from ISO or Cal that exceed the fees retained by Cal and ISO pursuant to this Agreement during the one month period immediately prior to the event giving rise to the claim for damages.
35. Indemnification. Merchant agrees to indemnify and hold Cal and ISO harmless from any and all losses, claims, damages, liabilities and expenses, including attorneys' fees and costs (whether or not an attorney is an employee of Cal or Cal's affiliates, ISO or affiliates of ISO) arising out of any of the following:

 - f. Fees and fines levied against Cal or ISO as the result of Merchant exceeding one or more Association thresholds or standards. If any such fee or fine is imposed on Cal or ISO as a result of the activities of more than one merchant, such fee or fine will be assessed to merchant proportionately, as determined by Cal.
 - g. Any dispute concerning the quality, condition or delivery of any merchandise or the quality of performance of any service;
 - h. The fraud or dishonesty of Merchant or Merchant's employees, licensees, successors, agents and/or assigns;

36. Credit Investigation and Cal Auditing. Cal may audit, from time to time, Merchant's compliance with the terms of this Agreement. Merchant shall provide all information requested by Cal to complete Cal's audit. Merchant authorizes parties contacted by Cal to release the credit information requested by Cal, and Merchant agrees to provide Cal a separate authorization for release of credit information, if requested. Merchant shall deliver to Cal such information as Cal may reasonably request from time to time, including without limitation, financial statements and information pertaining to Merchant's financial condition. Such information shall be true, complete and accurate. Upon request by Cal or ISO, Merchant shall provide to Cal and ISO its balance sheet and income statements not less frequently than every three calendar months during the term of this Agreement
37. Termination of Agreement by Cal and ISO. Cal may terminate this Agreement upon 30 days' prior written notice to the other parties. In addition, Cal and ISO jointly may terminate this Agreement without notice to Merchant under any of the below listed circumstances. Any such notice of termination by Cal is effective upon mailing.
- a. Any information concerning Merchant obtained by Cal is unsatisfactory to Cal in Cal's sole discretion;

 - k. ISO does not or cannot perform its duties under this Agreement and Cal determines that it is not feasible to provide to Merchant the Services contemplated by this Agreement. Cal is not obligated to provide replacement of Services if ISO does not or cannot perform.
- Cal may selectively terminate one or more of Merchant's approved locations without terminating this entire Agreement. In the event of termination, all obligations of Merchant incurred or existing under this Agreement prior to termination shall survive the termination. Merchant's obligations with respect to any Transaction shall be deemed incurred and existing on the transaction date of such Transaction.
38. Termination of Agreement by Merchant. Merchant may terminate this Agreement upon at least 30 days prior written notice to the other parties if Cal amends Annex B pursuant to Section 40 to increase the rates, fees or charges Merchant pays hereunder, except for changes originating from a Card Association.
39. Setoff. In addition to any other legal or equitable remedy available to it in accordance with this Agreement or by law, Cal and/or ISO may set off any amounts due to Cal and/or ISO under this Agreement against any property of Merchant in the possession or control of Cal or ISO.
40. Exclusivity Merchant shall submit all Transactions made during the term hereof solely to Cal for processing. At Cal's discretion, Cal shall permit Merchant to process with Cal on a non-exclusive basis, provided that Merchant provide to Cal, prior to the execution of this Agreement and at any time during the term of the Agreement upon request by Cal, processing statements indicating the total amount and volume of Transactions processed with other banks (detailing settlements, refunds and chargebacks).
41. Amendments to this Agreement. From time to time Cal may amend this Agreement as follows:

All provisions of this Agreement shall apply to Cards or Services added to this Agreement. Cal shall notify Merchant of the fees to be for processing the additional Cards and Services.  - b. Amendment to Fees and Charges. From time to time, Cal may change all rates, fees and charges set forth on Annex B. Cal will provide written notice to Merchant of all amendments. Cal may change the rates, fees and charges without prior written notice for due cause, such as Merchant's sales volume or average Transaction amount not meeting Merchant's projections as contained in Merchant's application for card processing services. If notice is required, Cal will give written notice on the Merchant Statement. All new rates, fees and charges will become effective for the month immediately following the month in which the notice appeared on the Merchant Statement unless Merchant terminates this Agreement in accordance with Section 37.
 - c. Amendments to all other Provisions. Cal may amend this Agreement in any manner other than as described in Section 41(a) or 41(b) above simply by providing written notice of such amendment to Merchant, and such amendment shall become effective on the latter of: (i) the date on which such written notice is received by Merchant; or (ii) a date specified by Cal in such written notice.

44. **Waiver.** To the extent that Merchant becomes a debtor under any law regarding liquidation and/or bankruptcy, and such event does not result in the termination of this Agreement, Merchant hereby unconditionally and absolutely waives any right or ability that Merchant may otherwise have had to oppose, defend against or otherwise challenge any motion filed by Cal for relief from any automatic stay granted by law, to enforce any of Cal's rights or claims under this Agreement.
45. In their dealings with one another, each party agrees to act reasonably and in good faith and to fully cooperate with each other in order to facilitate and accomplish the transactions contemplated hereby.
46. This Agreement, together with the Annexes attached hereto, supersedes any other agreement, whether written or oral, that may have been made or entered into by any party (or by any officer or officers of any party) relating to the matters covered herein and constitutes the entire agreement of the parties hereto. Notwithstanding, an agreement between Cal and ISO or between Cal and Merchant that explicitly provides otherwise shall prevail.
47. **Severability.** If any provisions of this Agreement shall be held, or deemed to be, or shall in fact be, inoperative or unenforceable as applied in any particular situation, such circumstance shall not have the effect of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses or sections herein contained shall not affect the remaining portions of this Agreement or any part hereof.
